

## BMW Car Club GB i8 Register at Supercar fests 2025

BMW i8 Series Register has booked a stand at both of the Supercar FEST shows in 2025 and invites you to park on the stands as below.

**Sunday 18th May 2025 Sywell Aerodrome**

**Sunday 26th July at Mallory Park**

All i8 register members are welcome plus BMW Car Club (GB) prospective members driving i8s  
**Do not book using the links from the main website as this will not book you a place on our stand.**

Stand places can only be booked via a link issued by Chris Holmes.

Please send an email to [chris111holmes@gmail.com](mailto:chris111holmes@gmail.com) for the link

Tickets are £45 per car per day and that includes all the occupants. It will also include early entry from 7.30 am so you can beat the public traffic. We will have a designated area in the main club area flying our BMW flags.

Once you have purchased your ticket you will receive an email and a PDF ticket (also comes as an apple wallet ticket).

Then about 3 weeks before the event a group bcc email will be sent to all people booked on the stand with all the information required, such as arrival times and procedures, plus a digital PDF car pass which you must print off and display on your dashboard upon arrival.

**Your PDF ticket (or apple wallet version) will be scanned by gate staff.**

Sywell The Runway

Mallory The Track

This is your opportunity to show your i8, which "IS" a Supercar, amongst traditional supercars not only will you be able to get right next to but also be able to see and hear them in action making drag runs at Sywell or stretching their legs on track at Mallory.

Hurry please and get your car booked without delay as these shows fill up very quickly and imagine the visual impact of a stand full of i8s, you can hopefully help set a record number of i8s on show.
